## **Damage Report for Moritex Following Major Earthquake in Japan (3rd report)**

We at Moritex extend our deepest thoughts to those affected by the major earthquake which struck east Japan on March 11, 2011.

The following is an updated summary of damage reported at Moritex sites in Japan as of April 7, 2011.

1. Sendai Sales Office

Sendai sales office, which has been temporary closed as announced on March 17, will resume operations from April 11, 2011.

2. Financial Impact

We are evaluating the full impact of the earthquake on Moritex's businesses and consolidated financial results. We will report immediately if significant impact on the financial results is determined.
